## ABOUT DAVIDSON

DAVIDSON has grown to become one of the most desirable interior brands in this country and worldwide. With an experienced team dedicated to producing excellence, the company has established a reputation for delivering impeccable service and design to private clients and the world's leading interior designers.

DAVIDSON specialise in creating furniture of the highest calibre that includes dining tables, side cabinets, occasional and console tables, dining chairs and accessories for high end residential, luxury hotels, super yachts and boardrooms. We offer a comprehensive made to measure design service to suit any given project or room size which means that timbers, dimensions and finish can all be specified to the individual requirements of the client if necessary.

The service includes technical 2D and 3D drawings alongside quotations and timber samples for approval. Alternatively, models can be ordered to standard specifications and dining tables can be made to seat any number of people.

DAVIDSON is excited to be showcasing a new season collection. Remaining true to the signature style, the furniture incorporates clean classic lines with a modern interpretation, creating a timeless and elegant feel.

As DAVIDSON continues to enjoy international success we are proud to invite you to the showroom to view the furniture and discuss any requirements in detail.
